# About UWS

University of the West of Scotland is a large, modern, multi-campus University with its origins dating back to 1897.

As a dynamic, truly international university we are proud that more than 130 nationalities are represented across our diverse student population.

We offer industry-relevant courses, modern facilities and excellent teaching underpinned by professional research, knowledge exchange and enterprise.

At UWS we treat our students as individuals, partners and future leaders in their fields, providing them with the globally relevant knowledge, skills and confidence to shape the world around them and with the inspiration to achieve their dreams.

**Professor Craig Mahoney**  
PRINCIPAL AND VICE CHANCELLOR

# Undergraduate Programmes

## BA (Hons) International Business

Take your first steps in securing a career working for globally-recognised organisations with this specialist degree offered at UWS. It's been designed to deliver up-to-date practical and professional skills, underpinned by the appropriate academic theory which will support the development of 21st-century graduates that will be ready for any workplace.

## BSc Professional Health Studies Programmes (From Jan/22)

The BSc Top-up Professional Health Studies programme will help you understand the relationship between integrated health and social care systems. The course has been designed primarily for health and social care professionals such as support workers, nurses, social workers, paramedics and other allied health professionals such as occupational therapists, physiotherapists, counsellors and those providing holistic therapies.

**Fees:** £13,325 per year

**IELTS:** 6.0 or equivalent

**Start Dates:** January, May, September

**Duration:** 2 Years and 8 months

## Business Foundation Programme

Be confident to start your University education with our International Foundation programme which combines academic and real-world business theories to teach you the skills and knowledge required to embark on an undergraduate programme in Business. You'll learn about business management, human resource management, marketing and finance as well as English and study skills.

**Fee:** £9,250

**IELTS:** 4.5 (3 terms) or equivalent

**Duration:** 1 Year

**Min Age** 18+

## Pre-sessional – Academic English

Be ready and confident to study for your Bachelors' or Masters' programme with UWS pre-sessional English course. It's been designed to build on your existing English language skills to prepare you for all aspects of academic study. It will also develop your cultural awareness and introduce you to living in the UK.

**Fee:** £3,200

**IELTS:** 5.0 (Min 4.5) or equivalent

**10 weeks programme**

## Postgraduate Programmes

### MSc Information Technology

The MSc IT will help you become a modern IT professional who can analyse, design, deploy, utilise and manage business-relevant IT-based systems and services. If your dream job is to be an IT Consultant, IT Systems Developer, e-Business Specialist, Information Officer, Information Systems Manager, Database Developer, Business Analyst, or Data Analyst, this is the right course for you.

### MSc Project Management

Recognized by the Association of Project Management UK (APM), our MSc programme will give you the knowledge and expertise to work as a project manager across all industry sectors. It will provide insight into how to plan and organise resources to ensure projects finish on time and within budget. The course covers Agile, Waterfall, PRINCE2, PRISM, Six Sigma, and Critical Path, which are all essential tools used in modern project management.

**Fees:** £13,325 per year

**IELTS:** 6.0 or equivalent

**Start Dates:** January, May, September

**Duration:** 1 Year

## MBA Programmes

### Pathways:

**Digital Marketing**

**Banking & Finance, Leadership**

**Logistics & Supply Chain Management**

**Leadership**

Kickstart your career in business and management with our MBA courses! With 4 pathways to choose from, UWS London provides an opportunity for all to find the course that suits their interest. The programme delivers ways to learn up-to-date management practices with a specialist insight. From a digital marketing manager to an investment banker, our MBA programmes allow progression into many top-level jobs.

**Fees:** £13,325 per year

**IELTS:** 6.0 or equivalent

**Start Dates:** January, May, September

**Duration:** 1 Year

**IELTS:** 5.0 (Min 4.5) or equivalent

**10 weeks programme**

# Masters Programmes

## Master of Public Administration

The MPA programme has a strong international focus and is ideal for professionals looking to progress into a global career in public policy and politics, administration, leadership and governance with a strong grounding in public sector management and communication. It's an ideal step for individuals who want to make an immediate impact on employers within the public sector, private companies, non-governmental and inter-governmental organisations around the world.

## MEd Education Studies (Core, Inclusion, Leadership)

Ranked 1st in the UK for Teacher Education\*, UWS's MEd programme offers three pathways; Core, Leadership or Inclusion as well as the opportunity to study inclusive practice, pedagogy, leadership, and teamwork development. A master in education is a useful stepping stone in and out of the classroom allowing individuals to progress into more specialist teaching, leadership, consultancy, or administration positions.

\*The Times & Sunday Times Good University Guide 2020
